Parents:

Please Remember

If your child will not be at school, please contact the school office so that we have a record of your call.

For accurate communication and record keeping, any communication from parent to child OR parent to teacher should not be done by a text message to individual teachers or the principal. Students who are tardy or absent for one hour or more, but in attendance, are ½ day absent for that school day. A parent or guardian must sign students out of school and back in school for safety and security purposes.

Please turn in all completed paperwork that you received in your family folder at Open House. Thank you!!!
