**PARENTS:**  
**PLEASE**  
**REMEMBER**

If your child will not be at school, please contact the school office so we have a record of your call. For accurate communication and record keeping, any communication from parent to child OR parent to teacher should be done through a call to the school office and not by a text message to individual teachers or the principal.

Students who are tardy or absent for one hour or more, but in attendance, are ½ day absent for that school day. A parent or guardian must sign students out of school and back in school for safety and security purposes.
